

Dear Sailors & Families,

We have a great program this year and can't wait to begin building new skills and friendships on the water with each of you. There is little that compares to the sense of freedom and confidence you feel when sailing. We look forward to a summer full of adventure!

In order to be prepared for camp, please review the information below for timetables, packing list, and other IMPORTANT INFORMATION.

A **temporary park entrance pass\*** to be used during the week(s) of camp is included and can be found at the bottom of this email. Please present to the gate attendant upon entry. Printed or on your phone/device.

### [DIRECTIONS TO THE PARK AND PARENT DROP-OFF](#)

- Face Covering (Optional)

## IMPORTANT NOTES

### Finding your way:

- [DIRECTIONS TO THE PARK & PARENT DROP-OFF](#)
- Please allow 5 - 10 minutes of waiting time at the gate, and possibly longer on holidays and Fridays.
- \*Included in this email is a 'pick-up/drop-off' entry pass to be used at the park gate. Please show this, in digital form, to the gate attendant and they will let you through. This pass is good for 15 minutes. If you plan to stay at the park for longer than 15 minutes, a day pass must be purchased at the park entrance. Improper use is prohibited and will lead to ticketing and fines by park management.
- When arriving at the Personal Watercraft Area for drop-off, check in will be inside the Lake View Center. Monday check-in will take extra time as we distribute t-shirts. We appreciate your patience.

**Camp Shirts:** On the first day of camp, each camper will receive their technical camp shirt during the check-in process. Please think about the desired shirt size you'd like for your camper (Youth Small, Youth Medium, Youth Large, Youth XL, or Adult Small), so the process can remain efficient.

**Medical / Health Conditions:** Please confirm with the staff at check-in if there is anything they should be aware of (medical conditions, allergies, emotional or learning issues) so that staff can be prepared.

**Sunscreen:** Please have your camper apply sunscreen before arriving at camp, as well as at lunchtime.

**Swimming Ability / Comfort in the Water:** All campers are required to wear life jackets which are provided. Please inform us at check-in about your camper's swimming ability and comfort in the water.

**Weather:** Please review the local forecast [here](#), to appropriately prepare your camper for each day of camp. If inclement weather arises that is not safe to sail in, camp will be held on shore, under covered outdoor space or indoors. There is a possibility that if there is weather during camp, your camper will not sail until it is safe to do so.

**COVID Safety Measures:** While supported for campers and instructors, in accordance with current county and CDC guidelines, face coverings are no longer required for junior sailing camp. We ask for all to be considerate of others and their choice to continue to wear or not wear a face covering moving forward. We ask that campers and instructors continue to:

- Monitor for symptoms and stay home if not feeling well.
- Practice social distancing when possible.
- Wash and sanitize hands frequently.

Visit the Junior Camp [Webpage](#) for more information

Parent Handbook can be found [HERE](#)

Again, we look forward to another great summer of sun and sailing. We are grateful for your support of our program. If you have any questions, please do not hesitate to contact us:
